

Our Mission

Ermitage International School of France is a cosmopolitan community of life-long learners committed to developing individuals who are aware and compassionate, knowledgeable and responsible, and capable of acting in their own lives and in *their world*.

We strive to provide an education that *stimulates the mind* and develops *critical thinking* while imparting the values of respect and mutual understanding, honesty and cooperation, empathy and *open-mindedness*.

Ermitage

International School of France

Established 1941

Dwell in Possibility

Opened in 1941 in the historic town of Maisons Laffitte, Ermitage offers bilingual education for more than 1,000 students ranging from Kindergarten to High School. Only 20km from Paris, Ermitage provides 2 international diploma options (IBDP, CDP) and French Baccaalaureate (OIB). Focused on the principles of internationalism and leadership, students are encouraged from a young age to participate in global exchanges and service projects. Boarding is available from 5-7 days.

International Opportunities

Thank you for your interest in Ermitage and the opportunities we provide students to prepare for the journey ahead. We believe that our strong foundation of *bilingualism*, *experiential learning*, and *continuous improvement* prepare students to be critical thinkers and *active global citizens*.
